BEFORE WE START

# LET'S GET TO KNOW EACHOTHER

Make groups with

- an equal amount of boys and girls
- 1 person from another country than Belgium
- student-teachers from 2 different teaching levels (maximum, 1 is fine too)
- (2 persons with a mothertongue that isn't dutch)
- 1 person with a smartphone

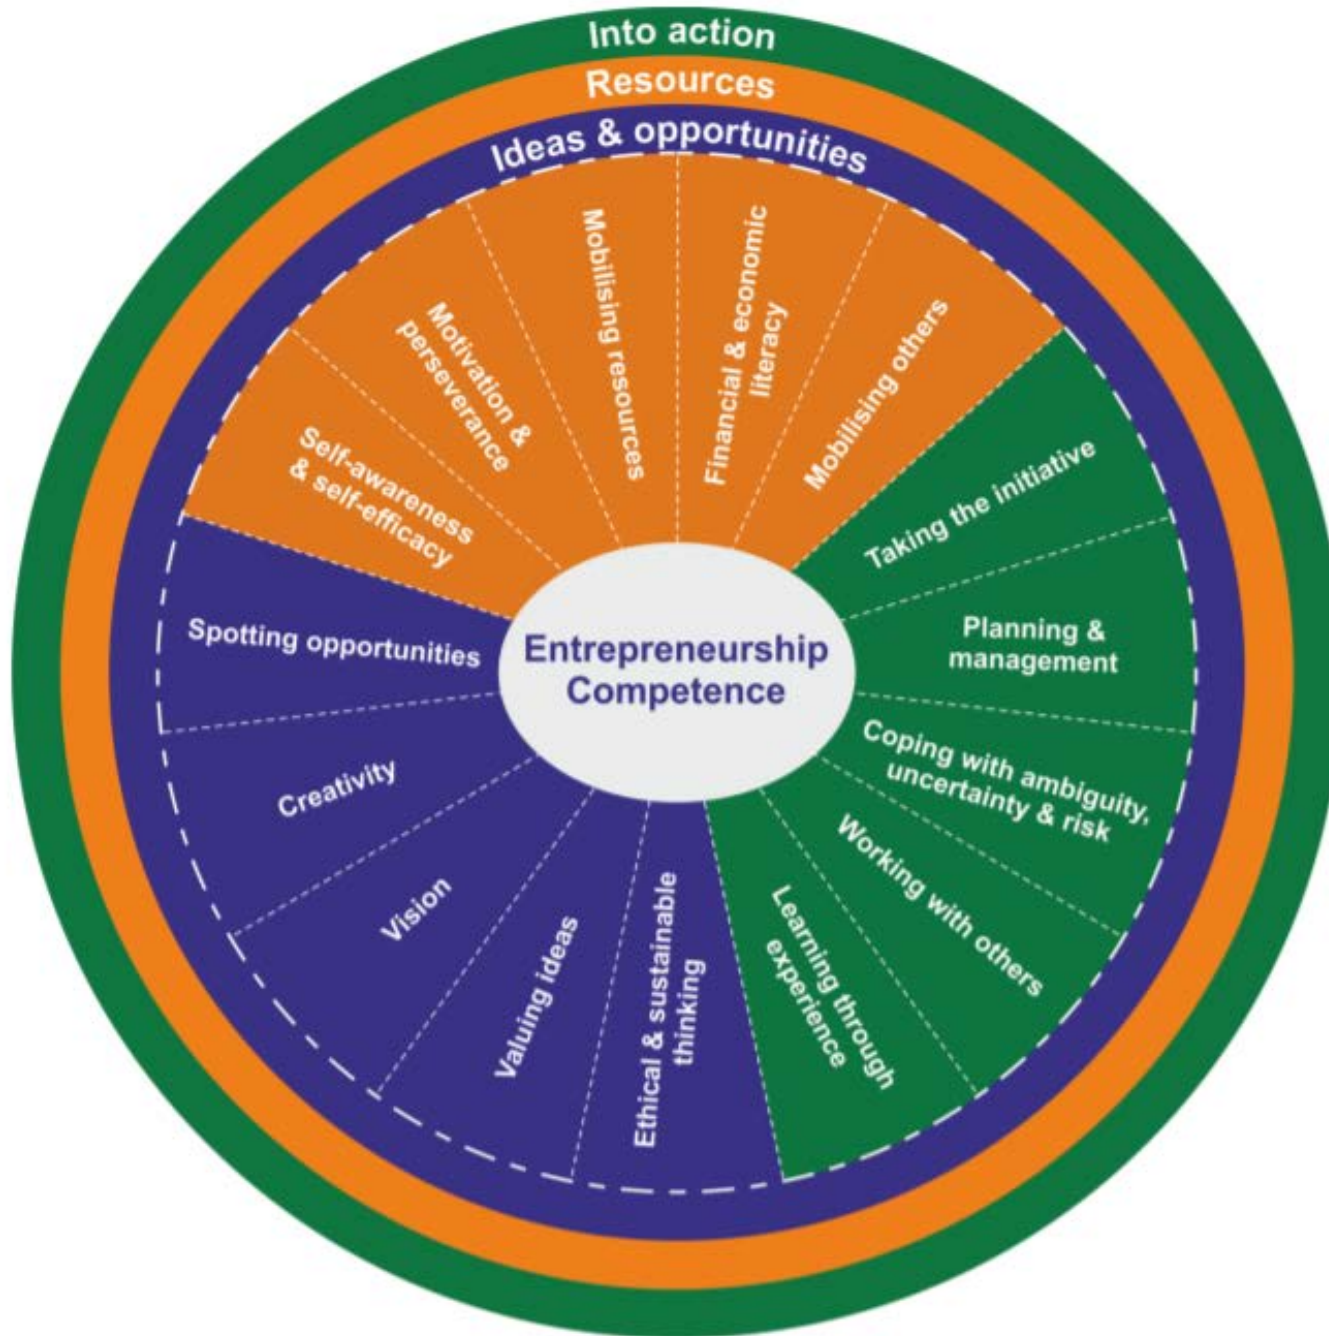

# WHAT IS ENTREPRENEURIAL EDUCATION?

Rasmussen & Nybye (2013)

# IDEAS AND OPPORTUNITIES

Spotting opportunities

Creativity

Vision

Valuing ideas

Ethical en sustainable thinking

# RESOURCES

Mobilising resources

Mobilising others

Financial and economic literacy

Motivation and perseverance

Self-awareness & self-efficacy

# INTO ACTION

Planning and management

Coping with ambiguity,  
uncertainty & risk

Working with others

Learning through experience

Taking the initiative

# WHY ENTREPRENEURIAL EDUCATION?

# HOW TO TEACH ENTREPRENEURIAL?

# VALUE CREATING LEARNING

## Example

- HIV-patient – asks school to make an awareness video
- elderly house – people read for pre-schoolers / a party together where the pre-schoolers have to make the food/decoration/...

## Competences?

# IN YOUR GROUP

**Who will take the notes?**

**Who will keep everyone motivated and on task?**

**Who will be the time-keeper?**

**Who will moderate and make sure everyone gets to speak up?**

# LET'S GO!

Read the instructions, use the materials and...GO AHEAD!

## EXPERT GROUPS (15 MINUTES)

Explain your lesson to the others.

# REFLECTION

What did you see?  
What did you learn?

BYE! GOOD LUCK!
