What do we hope to achieve this week?

That you discover

- why it is important to develop an entrepreneurial spirit in education
- how you can develop an entrepreneurial spirit in primary education
- what Antwerp has to offer you now and in the future

That you enjoy the collaboration in an international context

How are we going to achieve our goals?

Monday : introduction

- Morning
 - getting to know each other
 - Introduction to entrepreneurship by Anders Rasmussen
 - ➔ Eva Dierickx
- Afternoon
 - Guest speaker
 - assemble in this class at 12.45

Tuesday: start of the STEAM project

Where does that leave EIPTE?

HOGESCHOOL ANTWERPEN

The 2 levels in this week:

experience this week:

1 as a training of your own
entrepreneurial skills

2 how you can develop
these skills in primary
education
