

# EIPTE

<https://eipte.eu/>

The overall objective of this project is to get higher education institutions to implement entrepreneurship education and/or enhance the quality of entrepreneurship education in their initial teacher education for primary teachers.

# The aim of this project is to make contributions in ten different areas, called Intellectual outputs:

**01 Toolbox** The toolbox is a database of activities and resources.

**02 Website** A website for communication within the project as well as for communication with the general public.

## **03 Framework**

Framework of Entrepreneurship Education for Higher Education Institution's (HEI's) with Initial Primary Teacher Education. This output is connected to output 7.

## **04 Guidelines**

**05 Research on the entrepreneurial ecosystem**

**06 Web-based self-evaluation**

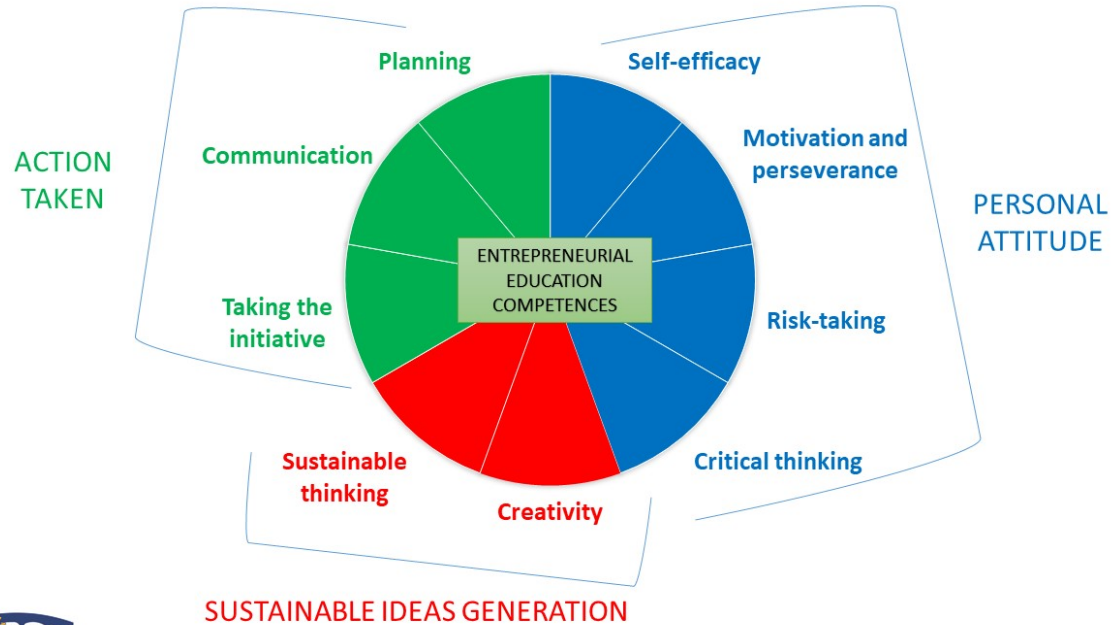

**07 Report for policymakers**

**08 Good practices on EE in ITE and creativity**

**09 Research on competencies pre and post EE in ITE**

**10 Research on the perceptions of EE in IPTE**

# Competencies Highlighted in This Project Intellectual Outputs
